Jaxton and family celebrate "No Mo Chemo"

The St. Jude Dream Home house will be given away to one lucky ticket holder on September 10 after a St. Jude special that will air on Fox 2 – KTVI. Seventeen additional prizes, valued at \$500 or more, will also be awarded, offering participants a one in 500 chance of winning a prize.

St. Jude has treated patients from all 50 states and around the world, including 9-year-old Jaxton from Ballwin, Mo. Jaxton arrived at St. Jude in September 2007 to undergo

treatment for biphenotypic leukemia, a rare cancer. After 2 ½ years, Jaxton celebrated completing chemotherapy with a "no more chemo party," a cherished event at St. Jude.

St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by insurance, and no child is ever turned away because of the family's inability to pay. St. Jude not only pays for medical care, but

shared with the global medical community so that children in communities everywhere can be saved by the hospital's life-saving research and treatments.

All proceeds from St. Jude Dream Home Giveaway ticket sales go directly to fund the life-saving mission of St. Jude. To purchase a ticket or for more information, call 1-800-667-3394 or visit www.dreamhome.org.
