The holidays are over and hopefully you are on your way to meeting your New Year's resolutions. Don't let your wishes and dreams pass you by in 2006. This is your opportunity to look and feel your best.

What do I mean by "Look Better in Your Underwear"? Results - plain and simple. Serious trendsetters are flocking to The Lifestyle Center in Clayton, the hotspot for the young, beautiful and business savvy. We have everything under one roof to have you looking and feeling your best. Botox, VelaSmooth, Restylane,

Sculptra, Laser Hair Removal, WrinkleLite, FotoFacial-RF and Personal Training are all available at St. Louis' best value.

Why do people choose The Lifestyle Center?

People want to go to one place where they can have it all! And the Doctor is in! I consult with every client to develop a program to have them looking and feeling their best without surgery.

What do people like about your services?

That's easy. The results! Our clients are satisfied because we use the latest technology to make them look and feel great. We develop all of our treatment protocols to maximize the results we obtain. I also do a follow-up

consultation to ensure that the results meet our clients' expectations.

Your prices are so affordable.

How do you do it?

We offer great results at an affordable price. We can do this because of our efficient technology and treatment protocols. I want everyone to be able to look and feel their best.

You have everything under one roof?

Our clients want it all and I am pleased to announce the opening of the Fitness Studio at The Lifestyle Center. We are the ONLY medical spa and laser center to offer the complete package right down to fitness training. St. Louis' number one trainer, Boni Clark, "the

trainer's trainer" is here now. She has personally trained and certified many of St. Louis' leading personal trainers. Our clients get the results they expect and our sessions are affordable with rates starting at \$25 per session.

How do I get started?
