Now that we're at Village North Retirement Community, we love our new life. Village North has reasonable prices, good food, and we can still participate in our local church activities. Village North makes the rest of our life perfect." - Art Klasing

At Village North, we're connected

"Before I came to Village North, I was living alone, keeping up the house and driving. It was beginning to take a toll on me, I had to make a decision and I am so glad I did. "I've lived at Village North for four years now, since my wife passed away. I really enjoy the transportation system - the bus takes me to the grocery store and doctor appointments and other special outings that Village North coordinates. I

also keep a car here. Having a car gives me a chance to go out with my buddies a couple times a week. I'm working on getting a dog since small dogs are allowed here." - Bernard Dawkins
