

NEVER PAINT AGAIN!

Is the surface of your home chipping away or the paint beginning to peel? Are you building or remodeling a home and can't decide on which type of exterior to apply?

Before you have your home re-painted, or choose your exterior finish, you should know that there is another option available.

This exciting alternative offers a freshly painted look year-round while offering the longevity of vinyl siding products. It can be applied over wood, brick, stucco, concrete blocks and more, eliminating chips, cracks and peeling. This exterior coating will also waterproof, soundproof and insulate your home.

Sound too good to be true? Well, it isn't. These are just a few of the advantages of ceramic coating, a product

that is quickly gaining popularity with homeowners in the Midwest. Available in an unlimited variety of colors, ceramic coating is a highly specialized, chemically-formulated exterior wall coating system. It forms a protective shield on your home that can withstand even the harshest weather conditions and provides unsurpassed corrosion and mildew resistance.

Comprised of highly-reflective UV blocking microspheres that can fill holes conventional paints can't reach, it creates a "breathable" barrier on your home that can expand and contract. The result is a maintenance-free coating that will reduce energy costs, provide long-lasting protection and add curb appeal to your home.

Part of the product's longevity relies on surface preparation a

25 YEAR WARRANTY! The Ultimate Home Paint Job

three-step process that will protect your home for years to come.

First, all dirt and grime are removed from the exterior of the home.

This includes any mold and mildew that might be on the surface.

Second, a primer is applied which permeates the substrate, waterproofing the surface. It also acts as a bonding agent for the ceramic coating.

Finally, the ceramic coating is applied to all surfaces. When the application process is complete, you will have invested wisely knowing that you'll never have to paint

your home again, and that it has curb appeal that cannot be denied.

When you think it's time to get rid of your paint rollers and brushes, or you're just beginning to build your home and want a finish that will last, you can call the professionals at Rhino Shield at 877-25RHINO (877-257-4466) for a free home inspection. You can also visit www.rhinoshield.net for further product information. We back our product with a 25-year warranty!
